The Anniversary Of January 6 And Our Two-Tiered System

These self-absorbed career politicians need to go. I have long supported term limits, and I feel that no elected official like Schumer, “Plugs” Biden, or Pelosi should serve more than one face lift or one hair transplant.

California: All You Need to Know About Conservative vs. Liberal Rule

This is what happens when you are a local government virtue-signaling on global warming. You do not keep your fire hydrants and reservoirs filled with water. California probably did not stock enough fire retardants because it felt that the word “retardant” was offensive.

But do not worry, L.A. is focused on diversity, and capability be damned. Their “historic first” leaders involved are all at least one of the LGBTQ consonant mosaics. Now, if only they could get an illegal Hispanic albino transgendered person in a wheelchair, then, and only then, will we be made complete as a nation. As president, Gavin could bring the California dream to the rest of America: an illegal with a \$1,000 smartphone checking his EBT balance from a \$800,000 government housing unit.
